

## Taking Italy Home With You

Join us and experience Italy in a new way. Immerse yourself in Italy's timeless and compelling beauty. Become one with the beloved land through creating narrative images using journal-style drawing and watercolor. Then, mount them on stunning backgrounds you create, paying homage to Italy's renaissance splendor, it's golden light and architecture . Take them home to pop into frames to be enjoyed forever. Let professional artist, Kate McCavitt, inspire you.

**Civita de Bagnoregio, Orvieto Italy (from photograph)**

- Learn a simple sketching style you can do on site, then embellish and paint it.
- Have fun and play with watercolor, becoming acquainted with color behavior and principles.
  - Learn a technique for easily creating drawings from your photographs.

- Kate will do a daily demonstration of exciting techniques that make up her unique artistic style which you can use in many ways to embellish your artworks.
- Enjoy a hands-on practice and an optional "Studio Date" each day to learn and advance. Kate provides help and guidance throughout your art endeavors. All levels of artists are encouraged and welcome.

Be amazed, be inspired, and leave Italy with a new way of seeing.
